

MBM Band

Transportation from MBM to WCHS for Marching Band Practices / Small Ensembles

Starting Thursday, August 29th, any MBM band student needing to travel to the high school for a practice or rehearsal right after school will be able to ride a designated school bus (by grade level) so that parents do not have to worry about transporting their student. Parents WILL need to arrange for pick-up at the conclusion of any such practice or rehearsal. If parents already pick their student up from school at the end of the day, they can transport them to the high school on their own if they wish.

The bus assignments are as follows: 6th Grade – 515, 7th Grade – 810, 8th Grade – 555.

To verify that you are aware of this transportation option and that on such days that we have a practice or rehearsal right after school your student will not be riding their regular bus home, please complete and sign the slip below and return it to Mr. Mason by Thursday, August 29th. Thank you!

I am aware that my student, _____, may be riding bus # _____ from MBM to WCHS on days that marching band or small ensemble practices/rehearsals take place right after school and that I am responsible for picking up my student at the conclusion of such practices/rehearsals.
