Spring Competition Trip

- Accepting money and chaperone applications. (Hopeful 10) Most likely 40-50 students going on the trip.
- Shirts- Jill has been collecting sponsorship for Band shirts. We usually have 3 shirts for a trip. We have black in Mr. Mason's office. They already have gray shirts. The third will be a shirt from sponsors. We are still in need of sponsors. We were hoping for 25 sponsors. Tammy will provide Sally with a list of the sponsors and she will write a thank you to them.
- If you plan to be a chaperone, please make sure you have your clearances and are approved by the school board.

Fundraising:

- Butter Braids (delivery 2 Fridays before Easter. 3/23/18) Amy needs help organizing them for distribution from 3-4 at the middle school. Pick up 4-6 that day.
- Pittsburgh Popcorn sales to begin. We need to pick it up in Station Square on a Monday.
- Black Bear Games are available in the summer to work and earn money for band.

New Business:

- On April 6, 2018 the small ensembles are going to have a concert. We are thinking of having a small fundraiser at that time in the cafeteria. Possible ideas are soup, salad and dessert. Mary Redman-desserts. Amy Simpson-breads.
- The Weebly website has subscriptions available if we would like to upgrade this service. There was discussion that we are very happy with the website as it is right now and don't feel we need to upgrade at this time.
